

## **FOOD DEMO GUIDELINES AT RAINBOW GROCERY COOPERATIVE**

Welcome to Rainbow Grocery. Food Handlers, who do food demos at Rainbow, are required to read and agree to the following Rainbow Grocery Cooperative requirements. Please check in with our Service Desk upon arriving, and fill in the vendor checklist attached. They can help answer any questions you may have.

- If you must be late or have to cancel a demo, please call Rainbow as soon as possible. You may lose your spot if you are not at Rainbow at the scheduled demo time. Customer Service can help answer any questions you may have. Our parking spaces are limited and are for customers only. Please park your vehicle on the street or in the parking lot located at 12th and Kissling St.
- Please bring your own tables, apron, and demo supplies. Service Desk workers can provide you with items you may have forgotten or that are not in compliance with our requirements on a one time basis.
- Use only compostable containers for samples. Do not use any kind of Styrofoam or other petroleum-based plastic plates, bowls, sample cups, knives, spoons, or forks. Compostable plastic must have a green stripe around it otherwise Recology will not accept it. (not in handbook)
- You will need 3 containers for waste. - Clearly labeled:
- **COMPOSTABLE:** All food scraps; toothpicks and sticks; soiled paper; such as wax paper, paper towel, and napkins; utensils and sample containers classified as "Compostable" will go in this container.
- **RECYCLABLE:** Any clean waste labeled with a recycling triangle and a material abbreviation or numerical code will go in this container.
- **LANDFILL:** Other waste will go to the landfill. Our goal is for this container to be empty or almost empty!
- Please do not take product off the shelves without purchasing it.
- We do not allow microwave ovens or open flames such as "hibachi" or gas lit stoves.
- Display product ingredients clearly in accordance with USDA Labeling and Allergen Laws.
- Please clean your area completely after you are done with your demo.
- If a customer asks a question you cannot answer, please find a Rainbow worker for assistance!
- Containers or utensils for samples are one time use only.
